

## PHLEX Cleaner & Degreaser

- Great For Cleaning Greasy Metal Parts Or Shop Floors
- Low Cost Cleaner

## PRODUCT DESCRIPTION

PHLEX Cleaner & Degreaser Concentrate is an industrial strength grade cleaner and degreaser. PHLEX has excellent emulsifying properties that immediately start working to safely remove oily residue. PHLEX also works as a great cleaner/degreaser on various contaminants, such as grease, ink, hydraulic fluid, etc. This product is safe on most industrial surfaces, but not recommended for use on brass, copper, aluminum or glass. This product may be used in floor scrubbers. PHLEX starts working immediately, but allowing ample penetration time improves results.

## PROPERTIES

**State:** Liquid  
**Color:** Red  
**Odor:** Characteristic Mild  
**Viscosity:** Very Thin  
**Weight:** 8.66 lbs/gal  
**Solubility in Water:** Complete
